Watoto Children's Choir

It was with great joy the college welcomed the Watoto African Children's Choir for a short stay in May. The choir, consisting of twenty two children aged between seven and fourteen, all of whom have been orphaned by war or HIV. They are on a six month sponsorship tour of the UK. Despite a hectic schedule the children were relaxed and happy and exceptionally polite greeting us with a chorus of "we're so-ooo pleased to meet you"! In July the choir returns to Uganda where the children will rejoin appointed "mothers" and return to normal family life and the choir leader, Julias, will train another group of young people in preparation for another tour. It was a real delight to spend time with the Watoto choir and lasting relationships were formed. On their last morning the children sang us a "thank you" and hugged us farewell before climbing onto the coach. Some tears were shed, but everyone cheered up when we realised we could meet up again at the choir's next engagement in Irvine.

Intercessors For Israel

On Saturday 28th May Adelaide College was delighted to host a day conference for 'Intercessors for Israel'. The speaker, Chuck Cohen, who with his wife Karen is a regular contributor and advisor to Sword magazine, was on a teaching tour of Scotland, culminating in a prayer for Israel week in the Scottish highlands. The day entailed two meetings, during which Chuck spoke about his call to the ministry and imparted from the Bible a wealth of insights into God's purposes for Israel. A superb Bible teacher, he illumined the current world situation in the light of God's word, specifically events in the Middle East. The congregation was encouraged to keep up to date with prayer requests issued weekly by Intercessors for Israel and to "pray without ceasing". Everyone, including the staff and students, benefited from Chuck's visit and went away enlightened and better prepared to pray for Israel. It was also a chance to meet David Andrew and his wife Agnes who is the editor of the SWORD Magazine.

Euology

Over the past few months, some very precious friends have been called home, some of you may have shared fellowship with dear Bert Whybra on a conference (Watford & Spalding).

May have studied at Adelaide College with Ann Grant (Inverness).

Or met Betty Smith (from Maybole) on a day visit to the college.

We praise God for such precious friends, our thoughts and prayers are with their families and friends.

There contribution will never be forgotten. We look forward to the day we join them.
